PRIVACY ACT/PAPERWORK REDUCTION ACT NOTICE

The Social Security Administration is authorized to collect information about school attendance under sections 202(d) and 205(a) of the Social Security Act, as amended (42 U.S.C. 402 and 405). While completing this form is voluntary, failure to provide all or part of this information is cause for suspension of benefit payments. The information on this form may be disclosed by the Social Security Administration to another person or agency for the following purposes: (1) to assist the Social Security Administration in establishing the student's right to Social Security benefits, (2) to help with statistical research and audits necessary to assure the integrity and improvement of the Social Security programs, and (3) to comply with laws requiring or allowing the exchange of information between the Social Security Administration and another agency. This information will be used to verify full-time attendance in school, and to determine continuing eligibility to student benefits.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you give us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.

PAPERWORK REDUCTION ACT: This information collection meets the clearance requirements of 44 U.S.C. §3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You are not required to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take you about 2 minutes to read the instructions, gather the necessary facts, and answer the questions.
